The special charges and assessments and the liens securing the same provided for in this subsection (b) shall be fixed, levied and enforced in, and to the same effect, as the general charges and assessments provided for in subsection (a) of this Section 3. Provided, however, that any special charges and assessments shall be and are payable in full on the 1st day of the second calendar month next after the date the same shall be affixed and established by the Board of Directors of the Association.

(1) The Board of Directors may annually or more often fix and establish the special charges and assessments against any dwelling unit to defray the cost of such clean-up work as may be necessary in accordance with the provisions of subsection (c) of Section 1 of this Article V, provided that the charges and assessments collected from the owners thereof shall be in such amounts as shall have been expended solely for the cleaning up and keeping in good order of such site.

(c) Collection and Expenditure of Charges and Assessments. Except as maybe hereinafter provided, the Association shall have the sole authority to collect and enforce the collection of all charges and all assessments provided for in this Article V, and may, in addition to such charges and assessments, charge and assess costs, penalties and interest for late payment and non-payment thereof - costs may include reasonable attorney's fees - and to expend all monies collected from such charges, assessments, costs, penalties and/or interest for the payment of expenses and costs of carrying out the rights and powers of the Association as provided for in this Declaration and/or in the Articles of Incorporation and/or in the By-Laws of the Association.

(d) Delinquency of Charges and Assessments. Thirty (30) days after any general or special charge or assessment shall be due and payable and unpaid or not otherwise satisfied, the same shall be and become delinquent and shall so continue until the amount of said charge and assessment, together with all costs, penalties and interest as herein provided have been fully paid or otherwise satisfied.

(e) Notice of Delinquency. At any time after any general or special charge and assessment against any dwelling unit has become delinquent, the Association may record a Notice of Delinquency as to such dwelling unit, which notice shall state therein the amount of such delinquency and the interest, costs (including attorney's fees) and penalties, which have accrued thereon, description of the dwelling unit against which the same has been assessed, and the name of the record or reputed owner thereof, and such notice shall be signed by an officer of the Association provided that upon the payment of said charges, assessments, interests, penalties and costs in connection with which such notice has been so recorded or other satisfaction thereof, the Association shall record a further notice stating the satisfaction and release of the lien thereof.

of a Notice of Delinquency as hereinabove provided, may be foreclosed as and in the same manner as is provided for the foreclosure of a mortgage upon the real property by the laws of the State of California at the date of the commencement of such foreclosure action. Interest shall accrue at the rate of seven percent (7%) per annum upon all unpaid charges or assessments from the date of delinquency. In any action to foreclose such lien the Association shall be entitled to costs, including reasonable attorney's fees and such penalties for delinquent charges and assessments as shall have been established by the Board of Directors of the Association.

(h) Reservation of Assessment Liens. Declarant as to the property covered by the Declaration and each dwelling unit embraced therein has established and does hereby establish, reserve and impose a lien thereon securing each charge and each assessment provided for by this Article V, together with said costs, penalties and interest, and Declarant does hereby assign to the Association the right to collect and enforce the collection of the same in accordance with and subject to the limitations contained in each of the provisions of this Declaration.

(i) Mortgage Protection. Notwithstanding all other provisions hereof:

The cost of the insurance upon the Common Area, together with any charge for setting up the master plan, if any, which charge is not included in the costs shown on the certificates of insurance above referred to, shall be assessed equally to the owners. All such assessments and liens securing the same shall be fixed, levied and enforced in the same manner and to the same effect as those provided for in Article VIII hereof.

It shall be the responsibility of each individual owner to procure such insurance as he may desire over and above that included in the certificate of insurance, including insurance on the personal property of the owners. No purchase of insurance by an owner shall relieve that owner of his liability to pay his proportionate share of the insurance provided by the Board.

In the event of loss or damage by fire or other casualty covered by said insurance, the proceeds thereof shall be paid to an insurance trustee to be designated by the Board; and, subject to prior rights of mortgages, said proceeds shall be used for the repair and rebuilding of the damaged property. (8) Taxes, assessments and other liens. The Board shall pay any amount necessary to discharge all taxes and assessments or other liens or encumbrances levied against the project or any part thereof which in the opinion of the Board constitute a lien against the entire project or against the Common Area, rather than merely against a particular unit, lot ownership or apartment ownership. Where one or more owners are responsible for the existence of such a lien, they shall be jointly and severally liable for the cost of discharging it.

(9) Painting. The Board shall cause each structure within its jurisdiction to be painted not less than once every four (4) years.

(10) Maintenance and Repair. Wherever this Declaration of Restrictions requires the Board to maintain and repair a structure upon an individual lot, or wherever such maintenance or repair shall be necessary in the discretion of the Board to protect the Common Area, and the owner or owners of such individual lot have failed or refused to perform said maintenance and repair, the Board shall cause such maintenance and repair to be accomplished and shall charge the individual owners therefor.

(11) The Board may delegate any of its duties, powers or functions to any person or firm to act as Manager, provided that such delegation shall be revocable upon notice by the Board. In the absence of any such appointment, the Chairman of the Board shall act as Manager.

Section 7. Change in Form of Owners Association: Nothing contained in this Article VII shall be construed so as to prevent the owners from incorporating any Owners Association or

from merging any two (2) or more Owners Associations into one body. Any such incorporation or merge shall require the consent of three-quarters (3/4) of the members. Any such successor organization shall have the same powers and duties as are set forth herein and in Articles VIII and IX of this Declaration.

In the event the Owners Association and/or Oakmont Village Association shall fail to take steps satisfactory to the City to correct such failure within said sixty (60) day period, the City shall have the right to do any of the following:

(a) Do or perform any act the Owners Association is authorized to do or perform under the provisions of this Declaration of Protective Restrictions which shall be necessary to the maintenance of the Common Area, including but not limited to (1) performance of the necessary maintenance and (2) levy and collect the cost of doing such maintenance in accordance with the assessment procedures set forth in this Declaration.

No foreclosure of any such mortgage or deed of trust shall impair the City's right to enforce the provisions of this Article XV as to future
